SMALL BUSINESS MASTERMIND

What if you were able to attract new customers EVERY DAY? How would your business change if you could attract new customers daily? If you had a tribe that understood your worries and to help your business thrive? How could this all make you a better business owner?

Frustrated and alone?

Amanda is a digital marketing expert helping local businesses gain new customers and grow revenue.

Have you been trying all the digital marketing tactics but still not reaching and attracting your ideal customers? Tired of spending all your spare time just trying to keep up and figure it all out? Do you feel alone in all of it?

You're In The Right Place

Weekly Mastermind Group your safe-haven in running your business. You will be part of a trusted network, have a tribe that understands your worries and a group to share your successes with.

- ✦ Weekly mastermind (virtual) meeting
- ✦ Private Facebook Group
- ✦ Monthly Marketing Strategy & Brandable Social Post Templates
